

## Invitation: Japan-Mongolia Business Matching Event on Dec 10 in Tokyo

On December 10, 2015, the Mongolian Embassy in Japan is going to organize “Japan-Mongolia Business Matching Event” for the representatives from private sector of Mongolia who are going to attend “Invest Mongolia Tokyo” conference which is going to be held on December 9, 2015.

60 different representatives, including parliamentarians of Mongolia, the relevant Government officials and private sector or business delegations are going to visit Japan. The business delegates comprise of mining, finance, real estate, commerce, agriculture, etc sectors. Economic Partnership Agreement (EPA) was signed between the two countries this year and is going to come into effect within this year which will have an importance in expanding the bilateral trade and economic cooperation. Therefore, the business matching event will be the great opportunity to network with the Japanese companies who are interested in doing business in Mongolia. We hope you will take advantage of this event to a greater extent.
